**Position**

Junior IT Technician (RE1)

**Data de tancament**

Dimarts, 16 Novembre, 2021
**Reference:** 391_21_ES_CES_RE1
**Job title:** Junior IT Technician (RE1)

**About BSC**

The Barcelona Supercomputing Center - Centro Nacional de Supercomputación (BSC-CNS) is the leading supercomputing center in Spain. It houses MareNostrum, one of the most powerful supercomputers in Europe, and is a hosting member of the PRACE European distributed supercomputing infrastructure. The mission of BSC is to research, develop and manage information technologies in order to facilitate scientific progress. BSC combines HPC service provision and R&D into both computer and computational science (life, earth and engineering sciences) under one roof, and currently has over 700 staff from 49 countries.

**Context And Mission**

Within the Earth Sciences Department of Barcelona Supercomputing Center (BSC), led by Prof Francisco Doblas-Reyes, the department is looking for a junior candidate to support the IT activity of the department.

The position will directly report to the Computational Earth Sciences group leader.

**Key Duties**

- The candidate will take care of the workstations, laptops and any other material, support users in their needs and interact with Helpdesk. It also includes the support to any activity of the department with
technical needs (conferences, workshops or telcos). The candidate will also test in-house
developments and validate documentation and user guides.

Requirements

- Education
  - IT qualification, any experience advantageous not necessary

- Essential Knowledge and Professional Experience
  - Maintaining hardware (workstation and laptops) and software (wikis and simple websites)
  - Knowledge in setting audio and video for remote teleconferences
  - Identify users needs and support to solve problems

- Competences
  - Fluency in spoken and written English, while fluency in other European languages will be also valued
  - Capacity to interact and build strong relations with both earth and computer scientists
  - Initiative, responsibility and good organization skills
  - Enthusiastic and passionate about having a career in IT.

Conditions

- The position will be located at BSC within the Earth Sciences Department
- We offer a full-time contract, a good working environment, a highly stimulating environment with state-of-the-art infrastructure, flexible working hours, extensive training plan, tickets restaurant, private health insurance, fully support to the relocation procedures
- Duration: Temporary - 1 year renewable
- Salary: we offer a competitive salary commensurate with the qualifications and experience of the candidate and according to the cost of living in Barcelona
- Starting date: 01/12/2021

Applications procedure and process

All applications must be made through BSC website and contain:

- A full CV in English including contact details
- A Cover Letter with a statement of interest in English, including two contacts for further references - Applications without this document will not be considered

In accordance with the OTM-R principles, a gender-balanced recruitment panel is formed for every vacancy at the beginning of the process. After reviewing the content of the applications, the panel will start the interviews, with at least one technical and one administrative interview. A profile questionnaire as well as a technical exercise may be required during the process.

The panel will make a final decision and all candidates who had contacts with them will receive a feedback with details on the acceptance of rejection of their profile.

Deadline

The vacancy will remain open until suitable candidate has been hired. Applications will be regularly reviewed and potential candidates will be contacted.

OTM-R principles for selection processes

BSC-CNS is committed to the principles of the Code of Conduct for the Recruitment of Researchers of the European Commission and the Open, Transparent and Merit-based Recruitment principles (OTM-R). This is applied for any potential candidate in all our processes, for example by creating gender-balanced recruitment panels and recognizing career breaks etc.

BSC-CNS is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability or any other basis protected by applicable state or local law.
