Job title: Junior IT Technician (RE1)

About BSC
The Barcelona Supercomputing Center - Centro Nacional de Supercomputación (BSC-CNS) is the leading supercomputing center in Spain. It houses MareNostrum, one of the most powerful supercomputers in Europe, and is a hosting member of the PRACE European distributed supercomputing infrastructure. The mission of BSC is to research, develop and manage information technologies in order to facilitate scientific progress. BSC combines HPC service provision and R&D into both computer and computational science (life, earth and engineering sciences) under one roof, and currently has over 500 staff from 44 countries.

Context And Mission
Within the Earth Sciences Department of Barcelona Supercomputing Center (BSC), led by Prof Francisco Doblas-Reyes, the department is looking for a junior candidate to support the IT activity of the department.

The position will directly report to the Computational Earth Sciences group leader.

Key Duties

- The candidate will take care of the workstations, laptops and any other material, support users in their needs and interact with Helpdesk. It also includes the support to any activity of the department with
technical needs (conferences, workshops or telcos). The candidate will also test in-house developments and validate documentation and user guides.

**Requirements**

- **Education**
  - IT qualification, any experience advantageous not necessary

- **Essential Knowledge and Professional Experience**
  - Maintaining hardware (workstation and laptops) and software (wikis and simple websites)
  - Knowledge in setting audio and video for remote teleconferences
  - Identify users needs and support to solve problems

- **Competences**
  - Fluency in spoken and written English, while fluency in other European languages will be also valued
  - Capacity to interact and build strong relations with both earth and computer scientists
  - Initiative, responsibility and good organization skills
  - Enthusiastic and passionate about having a career in IT.

**Conditions**

- The position will be located at BSC within the Earth Sciences Department
- We offer a full-time contract, a good working environment, a highly stimulating environment with state-of-the-art infrastructure, flexible hours, extensive training plan, tickets restaurant, private health insurance, fully support to the relocation procedures
- Duration: Temporary - 1 year renewable
- Salary: we offer a competitive salary commensurate with the qualifications and experience of the candidate and according to the cost of living in Barcelona
- Starting date: 01/05/2019

**Applications Procedure**

All applications must include:

- A motivation letter with a statement of interest, including two contacts for further references - Applications without this document will not be considered
- A full CV including contact details

**Deadline**

The vacancy will remain open until suitable candidate has been hired. Applications will be regularly reviewed and potential candidates will be contacted.
Diversity and Equal Opportunity Employment

BSC-CNS is an equal opportunity employer committed to diversity and inclusion. We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability or any other basis protected by applicable state or local law.
