---

## Effect of High-Resolution Meteorological Forcing on Nearshore Wave and Current Model Performance

**URL:** <http://journals.ametsoc.org/doi/abs/10.1175/JTECH-D-12-00087.1?journalCode=atot>

**Authors:** [Bricheno,](#) / [Soret, Albert](#) / [Wolf,](#) / [Jorba,](#) / [Baldasano, Jose](#)

**Publication:** Journal of Atmospheric and Oceanic Technology

**Place Published:** UNITED STATES

**Volume / Pagination:** 30 / 1021?1037

**Paraules clau:** [Atmosphere-ocean interaction,](#) [Model evaluation/performance,](#) [Regional models](#)
