

## Energy Efficiency Support through Intra-Layer Cloud Stack Adaptation

**URL:** <https://www.springerprofessional.de/en/energy-efficiency-support-through-intra-layer-cloud-stack-adapta/12497316>

**Authors:** [Djemame, Karim](#) / [Kavanagh, Richard](#) / [Armstrong, Django](#) / [Lordan, Francesc](#) / [Ejarque, Jorge](#) / [Macías, Mario](#) / [Sirvent, Raul](#) / [Guitart, Jordi](#) / [Badia, Rosa](#)

**Research Lines:** [Energy-aware and Virtualisation Technologies](#)

**Publication:** Lecture Notes on Computer Science (LNCS), 13th International Conference on Economics of Grids, Clouds, Systems, and Services (GECON'16)

**Place Published:** Athens, Greece

**Volume / Pagination:** 10382 / 129-143

Barcelona Supercomputing Center - Centro Nacional de Supercomputación
