

[Inici](#) > H-bond network optimization in protein-protein complexes: are all-atom force field scores enough?

H-bond network optimization in protein-protein complexes: are all-atom force field scores enough?

Authors: [Masone, Diego](#) / [Cabeza de Vaca, Israel](#) / [Pons, Carles](#) / [Fernández-Recio, Juan](#) / [Guallar, Victor](#)

Publication: Proteins

Volume / Pagination: 80 / 818-24

Paraules clau: [Computer Simulation](#), [Hydrogen Bonding](#), [Models, Molecular](#), [Protein Binding](#), [Protein Conformation](#), [Proteins](#), [Solvents](#)
