Support Vector Machine and Spiking Neural Networks for Data Driven prediction of crowd character movement

URL: <https://mitpress.mit.edu/books/proceedings-artificial-life-conference-2016>

Authors: [Tabarez-Paz, Israel](#) / [Rudomín, Isaac](#) / [Perez, Hugo](#)

Publication: Proceedings of the Artificial Life Conference 2016

Place Published: Cancun, Mexico

Pagination: 638 - 645

Barcelona Supercomputing Center - Centro Nacional de Supercomputación
