

[Inici](#) > The native ensemble and folding of a protein molten-globule: functional consequence of downhill folding.

The native ensemble and folding of a protein molten-globule: functional consequence of downhill folding.

Authors: [Naganathan, Athi](#) / [Orozco, Modesto](#)

Publication: Journal of the American Chemical Society

Volume / Pagination: 133 / 12154-61

Paraules clau: [Models, Molecular](#), [Molecular Dynamics Simulation](#), [Protein Conformation](#), [Protein Folding](#), [Proteins](#)
