

[Inici](#) > The protein folding transition-state ensemble from a G[?]-like model.

The protein folding transition-state ensemble from a G[?]-like model.

Authors: [Naganathan, Athi](#) / [Orozco, Modesto](#)

Publication: Physical chemistry chemical physics : PCCP

Volume / Pagination: 13 / 15166-74

Paraules clau: [Models, Molecular](#), [Protein Engineering](#), [Protein Folding](#), [Proteins](#)
