

## [Exascale Challenges in Computational Biology](#)

Exascale Challenges  
in Computational  
Biology

13-15 December  
2010 - Barcelona

BSC hosts this conference from December 13-15th in Casa Convalescencia, Barcelona. The event aims to bring together top scientists working in bio-supercomputing in order to share and open discussion on the key questions of this field.

Barcelona Supercomputing Center - Centro Nacional de Supercomputación
