SC17

SC17 will once again bring together the international high performance computing community—a gathering of scientists, engineers, researchers, educators, programmers, system administrators and developers that is unequaled in the world—for an exceptional program of technical presentations, papers, informative tutorials, timely research posters and Birds-of-a-Feather (BoF) sessions. The SC17 Exhibition Hall will feature the latest technologies and accomplishments from the world's leading vendors, research organizations and universities; SC17 provides the unique opportunity to see the latest technologies that will shape the future of large-scale technical computing and data-driven science.
