[Peroxide-dependent formation of a covalent link between Trp51 and the heme in cytochrome c peroxidase.](#)

Authors: [Pipirou, Zoi](#) / [Guallar, Victor](#) / [Basran, Jaswir](#) / [Metcalf, Clive](#) / [Murphy, Emma](#) / [Bottrill, Andrew](#) / [Mistry, Sharad](#) / [Raven, Emma Lloyd](#)

Publication: Biochemistry

Volume / Pagination: 48 / 3593-9

Palabras clave: [Chromatography](#), [High Pressure Liquid](#), [Cytochrome-c Peroxidase](#), [Heme](#), [Molecular Structure](#), [Oxidants](#), [Peroxides](#), [Spectrometry, Mass](#), [Matrix-Assisted Laser Desorption-Ionization](#), [Tryptophan](#)
