Home > Troposphere-stratosphere coupling

- Research Line Lead
  - MARTIN MENEGOZ
    RESEARCH SCIENTIST
    Earth Sciences - Climate Prediction Group
    View Research Lines
    - Climate Model Initialization and Data Assimilation
    - Land-atmosphere coupling and predictability
    - Troposphere-stratosphere coupling

- Research Line Staff
  - JAVIER GARCIA SERRANO
    RESEARCH SCIENTIST
    Earth Sciences - Climate Prediction Group
    View Research Lines
Atlantic Variability and Predictability
- Sea Ice Variability, Prediction and Impacts
- Troposphere-stratosphere coupling

BIANCA MEZZINA
RESEARCH STUDENT

Earth Sciences - Climate Prediction Group

View Research Lines
- Atlantic Variability and Predictability
- Troposphere-stratosphere coupling

FROILA PALMEIRO NUNEZ
POSTDOCTORAL RESEARCHER

Earth Sciences - Climate Prediction Group

View Research Lines
- Atlantic Variability and Predictability
- Troposphere-stratosphere coupling
