2016

- Analyzing Data-Error Propagation Effects in High-Performance Computing
  2016 24th Euromicro International Conference on Parallel, Distributed, and Network-Based Processing (PDP)
  Utrera, G., M. Gil, and X. Martorell

2013

- A Second-Order Distributed Trotter-Suzuki Solver with a Hybrid Kernel
  Computer Physics Communications
  Wittek, P., and F. M. Cucchietti

- Memory-efficient sparse direct solvers in large- scale frequency-domain geophysical simulations
  Rodriguez, S.
