From the Airport
Barcelona airport is at 12 Km from the city. More information about Barcelona’s airport: [www.aena.es](http://www.aena.es). You can arrive with different transport methods from the airport to BSC:

By taxi
In T1, you will find a taxi stand in the arrivals zone (P0) and in the Barcelona-Madrid air corridor; in T2, opposite terminals T2A, T2B and T2C. If they are available, they will show a green light with the text LIBRE or LLIURE (it means “available”). You can check fees at [www.taxibarcelona.cat](http://www.taxibarcelona.cat).

If you rent a car from the airport (T1), please leave “El Prat del Llobregat” and take C-32B. Continue along this route and head towards Ronda de Dalt / Lleida / Girona. Close to Barcelona, take route C-32 passing close to Cornellà del Llobregat and L’Hospitalet. Take B-20 and take Exit 10 called “Carretera d’Esplugues”. Take the street called “carrer del Gran Capità” and turn left towards Jordi Girona street.
By train
There is a Renfe suburban train. The airport station is situated opposite of terminal T2, and is connected to this terminal via an airbridge. There is also a Bus transit service between the Rail station and T1. From the airport to Barcelona Sants there is approximately 20 minutes journey. From this station, take the L3 (green line) in direction to “Zona Universitaria” and get off on the “Palau Reial” stop. You will have a 5-minutes walking distance to arrive to BSC. (www.renfe.es)

By Bus (Aerobus)
Airport stops: Bus stops at Terminal T1 and T2 (A, B, C)
Downtown stops: This line ends at Plaça Catalunya (city center). Once there, you may take L3 of the underground to "Palau Reial" or "Zona Universitaria" stations.
