

# CASE OPEN DAY

12 FEBRUARY 2024

Celebrate the **International Day of Women and Girls in Science** with us!

The **Barcelona Supercomputing Center (BSC)** and the Department of Computer Applications in Science and Engineering (CASE) invite you to the second edition of the **CASE Open Day**, a networking event where **female students** can learn about BSC and the research being done by the CASE team, as well as meet some of the researchers to ask them questions or learn from their experiences. Attendees will also have the opportunity to visit MareNostrum 4 and 5, the most powerful supercomputer in Spain.

This event is part of one of the activities of Equity4CASE, an initiative that seeks to promote research by women.

**Bachelor and Master female students.**

**Limited places (max. 30 people)**

**12 February, 2024**

**03:00 - 05:30PM**

**Plaça d'Eusebi Güell, 1-3,  
08034, Barcelona (BSC)**

**Registration:
