Impressions from 2016 Retreat

Claudia Rosas

Barcelona, December 16th 2016

Why attending to HLF?

- ⌘ Is held at the Rhine-Neckar Triangle;
- ⌘ Talk with professionals that were behind some (or most) of the theories we studied in college;
- ⌘ Opportunity to share with people from Industry and Academia;
- ⌘ You may re-connect with old acquaintances;
- ⌘ A unique scenario to meet colleagues from Maths & CS;
- ⌘ Interesting hot-topics discussions in a week full of cultural and scientific events.
